The books are always being updated online, to save paper the physical book that you find at a venue will quickly become out of date. You are always advised to check the online book. The date of the books will always be shown so you can always see if there has been an update since your last download.		
There are MANY MANY more songs on the karaoke system then there are in the books as we want to get the songs on the system first so they are available to you. Should you not find the song in the book then there is a good chance that the song may be on the system or we may be able to get it for you. There is the chance that we have not got the song and can not get it. We will do our best for you though. Please note that some songs have been removed permanantly from the karaoke. There are certain catagories that we will not play. If you are aware that the song you wish to sing contains racist remarks or other types of lyrics that could or would offend then there is a high chance it will not be in the books. We are going through the lyrics of all songs one by one. If you are aware of a song that is in the books that you think could or would cause offence, please let us know so we can look at it as soon as possible.
